✍ Abrahem Gh

EDUCATION

BS in Software engineering.
Jordan university of science and technology

Very Good. GPA: 3.2

Courses

- INTRODUCTION TO PROGRAMMING.(A+)
- STRUCTURES AND ALGORITHMS. (A+)
- BUSINESS DATA COMMUNICATION AND COMPUTER NETWORKS.(A)
- SOFTWARE ENGINEERING LAB2.(A)COMMUNICATION SKILLS. (A)
- FUNDAMENTALS OF SOFTWARE ENGINEERING. (A)

- INTRODUCTION TO OBJECT- ORIENTED PROGRAMMING. (A+)
- JAVA PROGRAMMING. (A)
- SOFTWARE ENGINEERING LAB1.(A)
- VISUAL PROGRAMMING.(A)
- TOPICS IN SOFTWARE ENGINEERING.(A)

PRACTICAL TRAINING

Trained at Atypon

.

09/2019 - 01/2020

Topics

- Servlets and JSPs course.
- Advanced Java training course (OOP, DB, Streams and Sockets).
- Devops(Docker,shell-script,)
- Design patterns course (creation patterns, Structural patterns, Behavioral patterns)

EXPERIENCE

Extra technology (01/2020 - 03/2021)
Software Developer (Flutter)

-

Mobile application development using flutter SDK.

-

Integration with backend REST API

-

Build responsive UI for different screen size.

TECHNOLOGY SUMMARY

Programming Languages: JAVA, Flutter, C#, C++, Dart, JAVASCript , Python, Django, Node js, mongoDB

Markup language:HTML5/XML,PHP,CSS4.

Operating Systems: Windows, Linux .

Java Frameworks: JSF, Java collections ,glassfish

Platform used: Intellij , Android Studio, VS ,Netbean , Rational rose ,Eclipse, Oracle Database.

PERSONAL PROJECTS

Mapreduce (12/2019 - 01/2020)
- Processing technique and a program model for distributed computing based on java.

Information retrieval system (10/2016 - 12/2016)
- Which uses the vector space model to solve information retrieval problems . Ahmad Bashar ,Ibrahim AL-GHRAIYBAH

Robots Pharmacists (10/2017 - 01/2018)
- Replacing Pharmacists with robots for better productivity .Ibrahim

QUALIFICATIONS

-Ability to write clean &efficient code.

-Understanding of solid principles.

-Good communication and inter personal skills.

-In depth knowledge of object-oriented programming, developing, testing and debugging code, designing interfaces.

-Quickly learn and master new technologies.

LANGUAGES

Arabic
Native or Bilingual Proficiency

English
Professional Working Proficiency

INTERESTS

Web development. JS,JSP,JSF,MVC.

System development life cycle.
